HISTORY/FACTS/ISSUES:
The Bylaws of the Lake Sumter Metropolitan Planning Organization (LSMPO) state that "Each voting and non-voting member of the MPO Governing Board shall appoint a Citizens Advisory Committee (CAC) and Bicycle Pedestrian Advisory Committee (BPAC) representative."

The Lake Sumter Metropolitan Planning Organization Citizens Advisory (CAC) is comprised of interested community members. Therefore, this committee has a special advisory role to the LSMPO because it provides a necessary communication link between the LSMPO and the community it is serving. Thus, the input provided by the CAC insures that the LSMPO planning process is actually meeting the needs of the community it is serving.
