WHEREAS, the City possesses Municipal Home Rule Powers pursuant to Article VIII, Section 2(b), Florida Constitution and Section 166.021, Florida Statutes; and,

WHEREAS, the County possesses powers of self government as provided by general or special law, so long as such acts are in the common interest of the people of the County, said powers being held and exercised pursuant to Article VIII, Section 1(f), Florida Constitution and Section 125.01, Florida Statutes: and,

WHEREAS, The County and City each provide planning, zoning, and development review services within their respective jurisdictions. Currently, coordination of planning, zoning, and development review issues occur in an informal manner; and,

WHEREAS, the Florida Interlocal Cooperation Act of 1969, Section 163.01, Florida Statutes, encourages and empowers local government to cooperate with one another on matters of mutual interest and advantage, and provides for interlocal agreements between local governments on matters such as joint planning; and,

WHEREAS, the Municipal Annexation or Contraction Act, Chapter 171, Part I, Florida Statutes, and the Interlocal Service Boundary Agreement Act, Chapter 171, Part II, Florida Statutes, recognizes the use of interlocal service boundary agreements and joint planning agreements as a means to coordinate future land use, public facilities and services, and protection of natural resources; and,

WHEREAS, Section 171.203(6), Florida Statutes (2011), allows an interlocal service boundary agreement to establish a process for land use decisions consistent with part II of Chapter 163, including those which may allow a municipality to adopt land use changes consistent with part II of Chapter 163 for areas that are scheduled to be annexed within the term of the interlocal agreement; and,

WHEREAS, the City and County have amended the Intergovernmental Coordination Element of their respective comprehensive plans to reference the Interlocal Service Boundary Agreement pursuant to Section 171.203, Florida Statutes (2011).,

WHEREAS, Section 171.203, Florida Statutes (2011), provides that a municipality that is a party to an interlocal service boundary agreement that identifies an unincorporated area for

municipal annexation must adopt a municipal service area as an amendment to its comprehensive plan to address possible future annexations; and,

WHEREAS, the Local Government Comprehensive Planning and Land Development Regulation Act, Chapter 163, Part II, Florida Statutes, requires that counties and City include in their respective planning efforts intergovernmental coordination and particularly, mechanisms for identifying and implementing joint planning areas; and,

WHEREAS, Section 163.3171 Florida Statutes (2011), provides for joint planning agreements for the joint exercise of the planning authority of the County and the City within incorporated and unincorporated areas; and,

WHEREAS, Section 171.204, Florida Statutes (2011), allows a municipality to pursue annexation of land which is not contiguous to the municipality, creates an enclave or is not reasonably compact when a county and municipality enter into a joint planning agreement under Section 163.3171; and,

WHEREAS, the State Comprehensive Plan requires local governments to direct development to those areas which have in place the land and water resources, fiscal abilities, and service capacity to accommodate growth in an environmentally acceptable manner; and,

WHEREAS, the State Comprehensive Plan requires local governments to protect the substantial investment in public facilities that already exist and to plan for and finance new facilities in a timely, orderly, and efficient manner; and,

WHEREAS, the City and the County wish to identify lands that are logical candidates for urbanized development, the appropriate land uses and infrastructure needs and provider for such lands, ensure protection of natural resources, and to establish coordinated countywide planning efforts; and,

WHEREAS, the extension of the City and County facilities and services are most efficiently provided if the process and timing of long range planning and development review processes for the City and County are clearly identified and part of a unified countywide planning organization in advance of City and County capital planning, commitment, and expenditure;

NOW, THEREFORE, in consideration of the mutual covenants set forth in this Agreement, the receipt and sufficiency of which are hereby acknowledged, the City and the County agree to enter into this joint planning agreement pursuant to Sections 163.3171 and 171.204, Florida Statutes, and that a coordinated approach to planning, zoning, and development review will result in development patterns that protect and promote the health and welfare of all of the citizens of Sumter County.
