5. On November 10, 2008, the City Commission of the City of Wildwood approved a development order (DO) pursuant to the approval of the substantial deviation creating The Villages of Wildwood DRI. Under that substantial deviation adjacent non-residential portions of the Villages of Sumter were annexed and combined with property already within the City to create the Villages of Wildwood DRI consisting of approximately 391 acres. The substantial deviation also proposed the transfer of 1,288,258 square feet of retail/service floor area, 14,400 square feet of office floor area, 49,714 square feet of educational/institutional floor area, 200 hotel rooms, eight movie screens and a 300 bed hospital from the Villages of Sumter DRI to the Villages of Wildwood DRI. A provision in the Villages of Wildwood DRI DO required that entitlements equal to those in the Villages of Wildwood DRI had to be removed from the Villages of Sumter DRI prior to any vertical construction. Thus, no additional development amounts were added in the approval of the Villages of Wildwood DRI.

6. On December 5, 2008, the Sumter County Board of County Commissioners approved a fourth amendment to the Villages of Sumter DO that transferred property and entitlements from the Villages of Sumter to the Villages of Wildwood. The NOPC removed approximately 220 acres from the Villages of Sumter, reduced the entitlements in the Villages of Sumter ADO by 1,288,258 square feet of retail/service floor area, 14,400 square feet of office floor area, 49,714 square feet of educational/institutional floor area, 200 hotel rooms, eight movie screens and a 300 bed hospital, and amended Map H and H-1, the Master Development Plan, the Land Allocation and Phasing Tables and legal description to reflect the removal of property and entitlements.

Additionally, the fourth NOPC amended the Villages of Sumter ADO by:

- Establishing December 31, 2019 as the Expiration Date;
- Establishing the Developer's cumulative transportation mitigation for state and regionally significant roadways and eliminating all monitoring and modeling requirements and requirement to address the TIA results in the Annual Reports;

- Clarifying that the requirements for annual reports cease upon reaching build out; and

- Establishing that the Developer will provide an annual payment to Sumter County of \$15,000 per year from 2010 to 2014 to support the County's annual traffic monitoring program.

7. On November 23, 2010, the Sumter County Board of County Commissioners approved a Fifth Amendment to the Villages of Sumter Development Order that made amendments to Development Order Condition C.1, the Land Use Conversion Matrix, the legal description, and Map H and H-1 Master Plan of the Villages of Sumter DRI. Specifically the NOPC: 1) removed approximately 5.72 acres from the Villages of Sumter DRI, 2) amended the Land Use Trade-off Matrix Table 1 and 2 by adding Skilled Nursing Facilities, Assisted Nursing Facilities and Independent Nursing Facilities, 3) removed the Convention/Performing Arts Center Land Use from the DRI (Development Order Condition C.1 and Map H-1), removed the 40,000 s.f. Convention/Performing Arts Center entitlement and re-designated 15 acres on Map H-1 from Convention/ Performing Arts Center to Village Clubhouses/Recreation Centers Land Use acres, 4) changed the Village Center Retail, Service, Office Land Use on CR 466 in the northeast corner of the DRI to Village Center Mixed Use, 5) changed the Village Center Retail Service, Office Land use on the south side of CR 466A east of CR 139 to Village Center Mixed Use, 6) reconfigured the Village Center Mixed Use and Residential Land Uses in the southeast corner of the DRI north of SR 44, 7) added the Wildlife Corridor created pursuant to mitigation requirements of SWFWMD ERP number 43023491.006, 8) pursuant to the Developer's letter of notification dated May 5, 2010, revised the Land Use Allocation Table to reflect the conversion of 143,575 s.f. Retail to 1,629 d.u. Residential Land Use, 9) added the traffic circle on CR 44A at Buena Vista Boulevard, and 10) added approximately twelve (12) acres of railroad right of way property along the northerly right of way of S.R. 44 of the Villages of Sumter DRI. The Developer acquired this property after abandonment by the railroad with a Quiet Title Suit and subsequent deed. This property was added to the adjacent land uses along the southerly boundary of the Villages of Sumter DRI. Three (3) acres to Wildlife Corridor, seven (7) acres to Village Center Mixed Use, and two (2) acres to Regional Recreation Centers. No increase of impacts occurred as a result of this addition.

8. Based on the documentation submitted and the testimony provided, Sumter County found the changes did not constitute a substantial deviation.
