1. **PAYMENT AND TAXES** – Payment shall be Net 10th prox, unless otherwise stated on invoice. CE reserves the right to require cash payment or other alternative method of payment prior to completion of work if CE determines, in its sole discretion, that Customer or Customer's assignee's financial condition at any time does not justify continuance of the Net 10th prox payment terms. In addition to the Agreement price, the Customer shall pay CE any applicable taxes or government charges that may be required in connection with the service or material furnished under this Agreement.
2. **SHIPMENT** – All shipments shall be F.O.B. shipping point, freight prepaid and allowed to the job site. Shipment dates quoted are approximate. CE does not guarantee a particular date for shipment or delivery.

CE is not responsible for the identification, detection, abatement, encapsulating or removal of asbestos, products or materials containing asbestos, similar hazardous substances, or mold, fungi, mildew, or bacteria. In the event that CE encounters any asbestos product or any hazardous material in the course of performing its work, CE may suspend its work and remove its employees from the project, until such product or material, and any hazards connected with it are abated. CE shall receive an extension of time to complete its work and compensation for delays encountered as a result of such situation and its correction. CE shall not be required to perform tests, install any items of equipment or make modifications that may be recommended or directed by insurance companies, government, state, municipal or other authority. However, in the event any such recommendations occur, CE, at its option, may submit a proposal for Customer's consideration in addition to this Agreement. CE shall not be required to repair or replace equipment that has not been properly maintained.
7. **WARRANTY** – Carrier warrants that all equipment manufactured by Carrier Corporation will be free from defects in material and workmanship. Carrier shall at its option repair or replace, F.O.B. point of sale, any part determined to be defective within one (1) year from the date of initial operation or eighteen (18) months from date of shipment, whichever is earlier. Carrier does not warrant products not manufactured by Carrier Corporation, but it does pass on to Customer any available manufacturer's warranty for those products. No devices installed, attached to real property or portable device(s) shall become a fixture of the Customer locations. Customer shall not acquire any interest, title or equity in any hardware, software, processes, and other intellectual or proprietary rights to devices that are used in connection with providing service on Customer equipment.

 - ◆ Provide the daily routine equipment operation (if not part of this Agreement) including availability of routine equipment log readings.
 - ◆ Where CE's remote monitoring service is provided, provide internet connection and access as required by CE.
 - ◆ Operate the equipment properly and in accordance with instructions.
 - ◆ Promptly address any issues that arise related to mold, fungi, mildew or bacteria.
11. **EQUIPMENT CONDITION & RECOMMENDED SERVICE** – Upon the initial scheduled operating and/or initial annual stop inspection, should CE determine the need for repairs or replacement, CE will provide Customer in writing an 'equipment condition' report including recommendations for corrections and the price for repairs in addition to this Agreement. In the event CE recommends certain services (that are not included herein or upon initial inspection) and if Customer does not elect to have such services properly performed in a timely fashion, CE shall not be responsible for any equipment or control failures, operability or any long-term damage that may result. CE at its option will either continue to maintain equipment and/or controls to the best of its ability, without any responsibility, or remove such equipment from this Agreement, adjusting the price accordingly.
12. **CUSTOMER TERMINATION** – Customer shall have the right to terminate this Agreement for CE's non-performance provided CE fails to cure such non-performance within 30 days after having been given prior written notice of the non-performance. Upon early termination or expiration of this Agreement, CE shall have free access to enter Customer locations to disconnect and remove any CE personal proprietary property or devices as well as remove any and all CE owned parts, tools and personal property. Additionally, Customer agrees to pay CE for all incurred but unamortized service costs performed by CE including overheads and a reasonable profit.
13. **CE TERMINATION** – CE reserves the right to discontinue its service any time payments have not been made as agreed or if alterations, additions or repairs are made to equipment during the term of this Agreement by others without prior agreement between Customer and CE.

CE shall be liable for damage to property, other than the equipment provided under this Agreement, and to persons, to the extent that CE's negligent acts or omissions directly contributed to such injury or property damage. CE's maximum liability for any reason (except for personal injuries) shall consist of the refunding of all moneys paid by Customer to CE under this Agreement.
15. **WASTE DISPOSAL** – Customer is wholly responsible for the removal and proper disposal of waste oil, refrigerant and any other material generated during the term of this Agreement.
16. **CLAIMS** – Any suits arising from the performance or non-performance of this Agreement, whether based upon contract, negligence, strict liability or otherwise, shall be brought within one (1) year from the date the claim arose.
17. **GOVERNMENT PROCUREMENTS** – CE offers standard commercial items that may not comply with Government specifications. CE does not comply with the Cost Accounting Standards (CAS) or with the Federal Acquisition Regulations (FAR). In no event shall CE provide any Cost or Pricing Data in connection with this Agreement or subsequent modifications.
18. **SUPERSEDEURE, ASSIGNMENT and MODIFICATION** – This Agreement contains the complete and exclusive statement of the agreement between the parties and supersedes all previous or contemporaneous, oral or written, statements. Customer may assign this Agreement only with CE's prior written consent. No modification to this Agreement shall be binding unless in writing and signed by both parties.
