Re: Analysis of Notice of Proposed Change (NOPC) for Villages of Sumter DRI based upon s.380.06 (19), F.S.

Date: June 20, 2012

This memorandum provides the analysis you requested from Carlton Fields summarizing the proposed 6th Amendment to the 2nd Amended and Restated Development Order (DO) for the Villages of Sumter DRI and explaining why the revisions are not a substantial deviation pursuant to s.380.06 (19), F.S. Please include this memorandum as part of the NOPC application that you submit to the review agencies.

Summary of Change

The Villages of Lake-Sumter, Inc. is planning to add 353 acres to the Villages of Sumter DRI. The property is located along County Road 44A and west of Lake Deaton. A location map is included in the NOPC application. Before adopting this DO amendment, the Sumter County Future Land Use Map must be amended to re-designate the 353 acres from Agriculture to Mixed Use. Mixed Use is the land use category for all of the Villages of Sumter DRI in Sumter County. The Urban Development Area (UDA) boundary must also be extended as part of this comprehensive plan amendment. We are simultaneously submitting a comprehensive plan amendment application and NOPC for review pursuant to s.380.06 (6), F.S. The comprehensive plan amendment application also serves as supporting data and analysis and, with the NOPC application, the basis for rebutting the presumption of a substantial deviation for the DRI review.

Existing Conditions of Parcel

The 353 acre property is surrounded on three sides by The Villages of Sumter DRI boundaries and Lake Deaton. The parcel also fronts County Road 44A. The Villages is in the process of developing the lands surrounding this parcel and by these approvals will be able to incorporate the lands into the overall DRI master plan.

Based upon the site analysis conducted by BDA, the environmental consultant, the site itself is composed of the following:

- 225 acres proposed for residential/mixed use development
- 98 acres +/- of wetlands (to be preserved)
- 30 acres for stormwater management
- 4 acres of isolated/poorly functioning wetlands (may be impacted)

The approximately 98 acres of wetlands will provide an effective buffer for Lake Deaton. The uplands on the site are mostly agriculture/pasture and suitable for development. The BDA report identified the existence of gopher tortoise burrows and the Sherman Fox Squirrel on-site. Any habitat on the 353 acres must be protected or mitigated pursuant to the following:

- a) Sumter County Comprehensive Plan Conservation Element;
- b) The Villages of Sumter DRI Development Order; and
- c) The Villages of Sumter DRI approved Wildlife Habitat Management Plan (WHMP).

The DRI has in place large conservation/preservation areas and consistent with the WHMP the ability to coordinate with the Florida Fish and Wildlife Conservation Commission (FWC) if mitigation is required. In accordance with paragraph 1.5 of the WHMP, which is incorporated into the DRI DO, a letter amendment acceptable to both The Villages of Lake Sumter, Inc. and the FWC will incorporate the necessary mitigation measures into the WHMP.

A historical resources analysis was also conducted on the site. ACI, the historic resources consultant, conducted field research and a review of the master site files and determined that there is a registered archaeological site on the property but nothing of significance. ACI determined that development on the site would have no effect on any archaeological sites or historic resources that are listed or considered potentially eligible for listed. No further investigations were recommended. ACI is in the process of obtaining a clearance letter from the Department of State as required by the Sumter County Comprehensive Plan. No development can commence on the site until the clearance letter is received based upon the County's plan.

No Substantial Deviation Review Required

The addition of property not previously reviewed to an approved DRI is presumed to create a substantial deviation pursuant to s.380.06 (19)(e)3., F.S. The presumption may be rebutted by providing clear and convincing evidence.

The evidence provided in this application clearly rebuts the presumption so no new or additional regional impacts are created by this DO amendment. The potential impacts created by adding new property to a DRI are generally 1) public facility/capacity impacts from the increase in development entitlements and 2) natural resource and other site related impacts by developing new lands. This change will not create any of these impacts for the following reasons:

1. Public Facility Impacts – The application does not request any increase in development entitlements. Existing/already approved entitlements will be used in the development of this property with no phase or buildout extension required. The State and County have already determined that adequate public facilities are in place or will be provided to serve the DRI. The expansion also does not create any changes in distribution of project traffic. It does provide a new connection to CR 44A but the DRI already has access to this road with its two main arterials (Buena Vista and Morse Boulevard) intersecting with CR 44A. This property will also be connected internally to The Villages street network and multi-use paths resulting in the same very high internal trip capture and use of alternative modes of transportation as exists now.
2. Natural Resources Protected – The application demonstrates that the environmental resources are protected. The contiguous wetland system adjacent Lake Deaton and the 5 acre freshwater wetland on-site will be preserved. The isolated or poorly functioning wetlands may be impacted. The Sumter County Comprehensive Plan allows impacts to Class IV and V wetlands. These wetlands appear to meet that criteria and are not regional resources. Any habitat on-site must be addressed consistent with the DRI's habitat management plan. This may require preservation of resources or mitigation. The Villages already has large contiguous preservation areas where mitigation can occur if needed.

3. Historical Resources Addressed – The application includes a cultural resources analysis that determines that no significant historical resources are located on-site.

For these reasons the presumption is rebutted and the proposed change is not a substantial deviation.

**NOTIFICATION OF A PROPOSED CHANGE TO A PREVIOUSLY APPROVED
DEVELOPMENT OF REGIONAL IMPACT (DRI)
SUBSECTION 380.06(19), FLORIDA STATUTES**

Subsection 380.06(19), Florida Statutes (F.S.), requires that submittal of a proposed change to a previously approved DRI be made to the local government, the regional planning agency, and the state land planning agency according to this form.

1. I, Martin L. Dzuro, the undersigned authorized representative of The Villages of Lake-Sumter, Inc., hereby give notice of a proposed change to a previously approved Development of Regional Impact (DRI) in accordance with Subsection 380.06(19), F.S. In support thereof, I submit the following information concerning the Villages of Sumter DRI, which information is true and correct to the best of my knowledge. I have submitted today, under separate cover, copies of this completed notification to Sumter County, Marion County, the Town of Lady Lake, the City of Wildwood, and the Withlacoochee Regional Planning Council.

4. Location (City, County, Township/Range/Section) of approved DRI and proposed change.

Sumter County Township 18 South; Range 23 East Sections 13, 14, 15, 16, 17, 21, 22, 23, 24, 25, 26, 27, 28, 33, 34, 35 and 36; and Township 19 South; Range 23 East, Sections 1, 2, 3, 4, 8, 9, 10, 11, 12, 13, 14, 16, 17, 23, 24.

5. Provide a complete description of the proposed change. Include any proposed changes to the plan of development, phasing, additional lands, commencement date, build-out date, Development Order conditions and requirements, or to the representations contained in either the Development Order or the Application for Development Approval.

Indicate such changes on the project master site plan, supplementing with other detailed maps, as appropriate. Additional information may be requested by the Department or any reviewing agency to clarify the nature of the change or the resulting impacts.

The changes proposed under this Notice of Proposed Change (NOPC) are presented below:

- a) Add 353 acres to the Villages of Sumter DRI (**See Attachment 1**) –The proposed Amendment will revise the boundary and total acreage of the DRI. This additional acreage will be used for residential units, recreation, stormwater basins and mixed use uses. Portions of previously approved entitlements will be converted using the Land Use Conversion Matrix to the planned uses on this property. This will ensure that there are no increases in impacts.
- b) Revise the legal description of the DRI and the Master Plans, Map H and Map H-1 to include the 353 acres.
- c) Revise Sumter County’s Future Land Use Map to reflect the revised Sector Plan and revise the Urban Development Area boundary to accommodate the 353 acres addition.

d) Amend the Master Plans Map H and H-1 and the Land Use Allocation Table to reflect the changes above and the changes made by the following:

1. Notice of Conversion of land Uses dated January 20, 2011. This Notice converted 8,440 Retail square feet to 128 Assisted Living Facility beds.
2. Notice of Conversion of Land Uses dated March 30, 2011. This Notice converted 792 Retail square feet to 12 Assisted Living Facility beds and 27,720 Retail square feet to 315 Residential Dwelling Units.
3. Notice of Extension pursuant to Section 54(19)(c)2. of Chapter 2011-139, Laws of Florida. This Notice extended the Phase III and IV dates of the DRI.

None of these changes will create any additional impacts or result in any changes to the development amounts within the development order.

6. **Complete the attached Substantial Deviation Determination Chart for all land use types approved in the development. If no change is proposed or has occurred, indicate no change.**

Please see the Substantial Deviation Chart attached as **Exhibit D**.

7. **List all the dates and resolution numbers (or other appropriate identification numbers) of all modifications or amendments to the originally approved DRI Development Order that have been adopted by the local government, and provide a brief description of the previous changes (i.e., any information not already addressed in the Substantial Deviation Determination Chart). Has there been a change in local government jurisdiction for any portion of the development since the last approval or Development Order was issued? If so, has the annexing local government adopted a new DRI Development Order for the project?**

A complete history of the Villages of Sumter Development Orders and amendments is provided below:

Original Development Order approved by Sumter County on May 9, 2000.

The original Development Order allowed the Villages of Sumter DRI to develop not more than 11,097 conventionally constructed (no manufactured housing or mobile homes) single family dwelling units; 30 acres of institutional/educational space; 1,250,000 square feet of Gross Floor Area (GFA) of retail structures; 250,000 square feet GFA of office space; a 300 room hotel; attraction/recreation facilities and related roads, recreation and conservation areas, wetlands, buffer area, stormwater retention and open space for a total project area of 4,677 acres in three phases [Phase I (2004-2008), Phase II (2009-2013) and Phase III (2014-2018)].

NOPC approved by Sumter County on January 15, 2002.

This was the first NOPC amendment to the Villages of Sumter Development Order and moved the start of Phase I forward from 2004 to 2002. Phase II was changed to run from 2007 to 2011 and Phase III to run from 2012 to 2016. No other changes to the plan of development were made.

However there have been changes to the Development Order effectuated through preliminary development agreements (PDA). The first PDA (September 29, 1999) was to authorize construction of a Charter School in the Workplace and entrance signs for The Villages. Two amendments to the first PDA were approved to increase the number of students to be served by the Charter School. The first PDA and its amendments are described as follows:

Preliminary Development Agreement approved September 29, 1999.

This agreement was approved by the Department of Community Affairs to authorize construction of a Charter School in the Workplace to serve 250 children in pre-school through grade 5. The children to be served are dependents of employees of The Villages or subcontractors to The Villages. The PDA also authorized construction of two entrance signs to The Villages on CR-466.

Preliminary Development Agreement Amendment approved September 19, 2000.

This agreement is the first amendment to the September 29, 1999 PDA. It increased the enrollment at the Charter School from 250 to 750 children.

Preliminary Development Agreement Amendment approved November 11, 2000.

This agreement is the second amendment to the September 29, 1999 PDA. It increased the enrollment at the Charter School from 750 to 950 children. This increase resulted from the addition of Middle School grades to the Charter School.

Substantial Deviation to the DRI Development Order Application filed August 9, 2001.

An application for a Substantial Deviation to the Villages of Sumter was filed on August 9, 2001. This Substantial Deviation added 7001 acres and associated increases in residential, commercial and other entitlements. Prior to the approval of the Amended Development Order authorizing the Substantial Deviation (July 16, 2002), two PDAs were approved.

Preliminary Development Agreement approved August 14, 2001.

This was the second PDA for the Villages of Sumter. It approved:

- a. The construction of a radio tower, transmitter and emergency power supply on 13.26 acres; and
- b. A 12 bed residential hospice and administrative offices on five acres.

Preliminary Development Agreement/Subsection 380.032(3) Agreement approved February 19, 2002.

This third agreement provided for:

- a. The extension of Morse Boulevard to the “east-west collector” through the Cherry Lake Commercial area;
- b. Implementation of improvements to Cherry Lake; and
- c. Construction of the “east-west collector”.

Amended and Restated Development Order Providing for the Substantial Deviation to the Villages of Sumter DRI (Sumter County Resolution dated July 16, 2002).

This Substantial Deviation involved the acquisition of an additional 7001 acres adjacent to the original DRI and revisions/additions to the development plan including 21,103 dwelling units, 2,086,500 square feet of non-residential floor area and additional recreational/cultural facilities.

Section 380.032 Agreement dated September 9, 2002.

This Agreement provided that development activities in the Environmental Resource Plan (ERP) approved by the Southwest Florida Water Management District could be carried out on some parcels covered by the Substantial Deviation prior to the time the Amended and Restated Development Order became effective. The development activities involved mass grading and development of the stormwater management system.

NOPC Providing for the 1st Amendment to the Amended and Restated Development Order (Resolution dated April 22, 2003).

This Amendment provided for the addition of 151 acres of Residential land, eight acres of Educational/Institutional land, seven additional acres for stormwater management and 37 acres (nine holes) of additional Golf Course. No increase in Residential or Institutional entitlements was requested under this NOPC.

Amended and Restated Development Order Providing for the Second Substantial Deviation to the Villages of Sumter DRI (Sumter County Resolution dated February 24, 2004).

This Amendment added approximately 1,180 acres to the DRI. Approximately 867 acres of the new land was added to golf course to accommodate an additional 135 holes. This amendment also revised the project phasing to complete development in 2014 (six years earlier than under the previous Development Order). The educational/institutional floor area was increased by 30,000 square feet to a new total of 290,000 square feet. No other entitlements were increased.

Section 380.032 Agreement dated September 1, 2004.

This Agreement provided for the recontouring of Area 6 (39.25 acres) as permitted by an Environmental Resource Permit from the Southwest Florida Water Management District prior to approval of the NOPC adding the property to the DRI that was submitted on April 29, 2004.

NOPC Providing for the 1st Amendment to the 2nd Amended and Restated Development Order (Resolution dated September 28, 2004).

This Amendment provided for the following changes in acreage:

Summary of the Net Changes in Land Use Proposed Under the April 2004 NOPC

(Net Changes Do Not Add to Surveyed Total Because of Rounding to Whole Numbers)

LAND USE	NET CHANGES
Residential	245
Institutional	-19
Golf Course	+101
Retail/Service in Mixed Use Areas	+38
Regional Recreation Centers	+11
Clubhouse/Village Recreational Centers	+2
Fire Station	+2
Wastewater Treatment Facility	-3
Retention Area	+65
Total Change In Acres	+441

No increase in entitlements was requested under this NOPC.

Section 380.032 Agreement submitted January 23, 2006.

This Agreement provided for mass grading and the construction of stormwater management facilities on Areas 1 – 9 as permitted by Environmental Resource Permits from the Southwest Florida Water Management District and construction of a 68,000 s.f. office center prior to approval of the NOPC adding the property to the DRI that was submitted on January 24, 2006.

NOPC Providing for the 2nd Amendment to the 2nd Amended and Restated Development Order Submitted January 24, 2006.

This NOPC proposed to add approximately 89 acres to the Villages of Sumter DRI. This additional acreage will be used for residential units previously approved in the development plan. Further, a portion of the added land will be used for a softball field complex, as well as additions to golf course land and stormwater retention uses. Additionally, some ten acres within the approved DRI would be converted from Golf Course to Mixed Use to allow development of a professional office center.

NOPC Providing for the 3rd Amendment to the 2nd Amended and Restated Development Order Submitted July, 2006.

This Amendment added 90 acres to the DRI. The changes in land use under the July 2006 NOPC are summarized in Table 1.

TABLE 1

Summary of the Net Changes in Land Use Proposed Under the July 2006 NOPC

(Net Changes Do Not Add to Surveyed Total Because of Rounding to Whole Numbers on Map H-1)

LAND USE	NET CHANGES
Residential	+54
Mixed Use Areas (Retail/Service in Town/Village Centers)	+60
Hospital	+3
Regional Recreation Center	-24
Parks/Open Space/Buffers	+2
Stormwater	-5
Total Change In Acres	90

In addition to the land use acreage changes presented above, the following adjustments to entitlements were made:

- Convert 55,392 square feet of approved commercial floor area to 71,511 square feet of office
- Add an additional 59,999 square feet of office floor area to the currently authorized 300,000 to yield new totals of 431,510 square feet of office and 3,164,608 square feet of Retail Service area
- Add 225,000 square feet of institutional use.

Note: The Third Substantial Deviation which created the Villages of Wildwood DRI transferred 210+ acres of the Villages of Sumter DRI into the City of Wildwood, added land within the City to the Wildwood DRI and transferred entitlements that yielded no net increase in entitlements for the combined Villages of Sumter and Villages of Wildwood DRIs. The City of Wildwood adopted a Development Order (and associated Comprehensive Plan Amendment) to reflect this on November 10, 2008. This NOPC will formally recognize the creation of the Villages of Wildwood DRI and adjust the Villages of Sumter land area and entitlements accordingly.

NOPC providing for the 4th Amendment to the 2nd Amended and Restated Development Order submitted December 5, 2008.

This amendment was composed of three general categories. The first category was changes for all five Development Orders to address the following:

1. Transportation – deletion of existing Development Order conditions requiring monitoring and modeling and replacement with conditions to reflect the transportation mitigation included in the Proportionate Share Agreement (the “PSA”) with the Florida Department of Transportation (FDOT).
2. Affordable Housing – deletion of existing affordable housing provisions and replacement with conditions recognizing that the Developer has mitigated for its cumulative impact on affordable housing.
3. Buildout Date – set a common buildout date of December 31, 2014. No amendment was required for the Villages of Sumter, its Development Order specified that the Buildout Date is December 2014.
4. Establish December 31, 2019 as the Expiration Date for all of The Villages DRI Development Orders.

The second category consisted of the transfer of land and entitlements from the Villages of Sumter DRI to the Villages of Wildwood DRI. In this amendment, the following changes were made to the Villages of Sumter DRI:

- Removed approximately 220 acres from the DRI
- Reduced Retail Service by 1,288,258 sf
- Reduced Office by 14,400 sf
- Reduced Educational/Institutional by 49,714 sf
- Reduced Hotel Rooms by 200 rooms
- Removed all 300 hospital beds
- Decreased movie theater by 8 screens

These changes were reflected in the Map H and H-1, the Master Development Plan and the accompanying Land Allocation and Phasing Tables.

The third category consisted of housekeeping changes updating the DRI Development Order to reflect the following minor revisions:

- Clarification that the requirements for annual reports cease upon reaching buildout;
- Established that the Developer would provide an annual payment to Sumter County of \$15,000 per year from 2010 to 2014 to support the County’s annual traffic monitoring program.

NOPC providing for the 5th Amendment to the 2nd Amended and Restated Development Order submitted August 31, 2010.

This amendment made changes to the Land Use Conversion Matrix by adding Skilled Nursing Facilities, Assisted Living Facilities and Independent Living Facilities Land Uses. This amendment also deleted the Convention/Performing Arts land use, moved 5.72 acres along CR 44A to the Villages of Wildwood DRI and added 12 acres of railroad right of way along SR 44.

8. Describe any lands purchased or optioned within 1/4 mile of the original DRI site subsequent to the original approval or issuance of the DRI Development Order. Identify such land, its size, intended use, and adjacent non-project land uses within 1/2 mile on a project master site plan or other map.

N/A

9. Indicate if the proposed change is less than 40% (cumulatively with other previous changes) of any of the criteria listed in Paragraph 380.06(19)(b), F.S.

The proposed change does not affect any of the criteria listed in paragraph 380.06(19)(b), F.S.

Do you believe this notification of change proposes a change which meets the criteria of Subparagraph 380.06(19)(e)2., F.S.

Yes _____ No X .

10. Does the proposed change result in a change to the buildout date or any phasing date of the project? If so, indicate the proposed new buildout or phasing dates.

The buildout or phase end dates of The Villages of Sumter DRI are not changed by this NOPC.

11. Will the proposed change require an amendment to the local government comprehensive plan?

Yes

Provide the following for incorporation into such an Amended Development Order, pursuant to Subsections 380.06(15), F.S. and Rule 9J-2.025, F.A.C.:

12. An updated master site plan or other map of the development portraying and distinguishing the proposed changes to the previously approved DRI or Development Order conditions.

The changes to the Master Plan (Maps H & H-1) are presented in Exhibit B.

13. Pursuant to Subsection 380.06(19)(f), F.S., include the precise language that is being proposed to be deleted or added as an amendment to the Development Order. This language should address and quantify:

- a. All proposed specific changes to the nature, phasing, and build-out date of the development; to Development Order conditions and requirements; to commitments and representations in the Application for Development Approval; to the acreage attributable to each described proposed change of land use, open space, areas for preservation, green belts; to structures or to other improvements

including locations, square footage, number of units; and other major characteristics or components of the proposed change;

The proposed changes to the development order, a revised land use conversion matrix, and a revised Map H and H-1 are found in the proposed resolution adopting this sixth amendment to the Villages of Sumter DRI Amended and Restated Development Order attached as **Exhibit A**.

- b. An updated legal description of the property, if any project acreage is/has been added or deleted to the previously approved plan of development;**

An updated legal description is attached as **Exhibit C**.

- c. A proposed Amended Development Order deadline for commencing physical development of the proposed changes, if applicable;**

No Change.

- d. A proposed Amended Development Order termination date that reasonably reflects the time required to complete the development;**

No Change.

- e. A proposed Amended Development Order date until which the local government agrees that the changes to the DRI shall not be subject to down-zoning, unit density reduction, or intensity reduction, if applicable; and**

No Change.

- f. Proposed Amended Development Order specifications for the annual report, including the date of submission, contents, and parties to whom the report is submitted as specified in Rule 9J-2.005(7), F.A.C.**

No Change.

RESOLUTION

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF SUMTER COUNTY, FLORIDA, ADOPTING A SIXTH AMENDMENT TO THE SECOND AMENDED AND RESTATED DEVELOPMENT ORDER FOR THE VILLAGES OF SUMTER DEVELOPMENT OF REGIONAL IMPACT; PROVIDING AN EFFECTIVE DATE.

WHEREAS, on June 22, 2012 The Villages of Lake-Sumter, Inc. submitted a Notice of Proposed Change (NOPC) pursuant to 380.06 (19), Florida Statutes (F.S.), to the Villages of Sumter Development of Regional Impact (DRI) Amended and Restated Development Order (ADO); and

WHEREAS, the Sumter County Board of County Commissioners has conducted an advertised public hearing on _____, 2012 for the purpose of receiving public comment and determining whether the proposed changes constitute a substantial deviation to the approved ADO.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF SUMTER COUNTY, FLORIDA:

SECTION 1. FINDINGS OF FACT.

Based on the documentation and testimony received at the public hearing, the Board hereby finds as fact as follows:

1. On February 24, 2004 the Sumter County Board of County Commissioners approved a second substantial deviation to The Villages of Sumter DRI first approved in 2000. The 2004 approval was for a cumulative development total of not more than 32,200 conventionally constructed (no manufactured housing or mobile homes) residential dwelling units on 6,190 acres; 96 acres of institutional/educational space, on which the developer may construct local government and community facilities, churches and educational facilities; 3,220,000 s.f. of Gross Floor Area (GFA) of neighborhood, community or general retail structures on 498 acres; 300,000 s.f. GFA of office space on 20 acres; 400 hotel rooms on 20 acres; attraction/recreation facilities consisting of a 40,000 s.f. convention/performing arts center on 15 acres; 16 theater screens on 10 acres; six regional recreation centers on 78 acres; clubhouses and Village recreation centers on 146 acres; urban facilities and services on 38 acres; two marinas (24 slips); 396 holes of golf on 2,899 acres; a 300 bed hospital on 30 acres and 3,035 acres of related roads, recreation and conservation areas, wetlands, buffer area, stormwater retention and open space for a total development area of 13,075 acres, where average residential density

shall not exceed 5.4 dwelling units per gross residential acre, located in Sumter County herein referred to as the "Development."

2. On September 28, 2004, the Sumter County Board of County Commissioners approved a first amendment to The Villages of Sumter Amended and Restated Development Order (ADO) that made the following minor changes in land use locations and acreage amounts to Map H and H-1, Master Development Plan and its accompanying Land Allocation and Phasing Tables to add ± 441 acres total to the existing DRI which will be used to:

- a. Add 245 acres of Residential land to the development plan, but not increase existing entitlements;
- b. Increase Lakes/Retention land use by 65 acres;
- c. Add 101 acres of Golf Course;
- d. Add 38 acres to retail/service uses in mixed use areas without increasing floor area;
- e. Add 11 acres of Regional Recreation Centers;
- f. Add 2 acres to Clubhouse/Village Recreational Centers;
- g. Add 2 acres to Fire Station site;
- h. Reduce Institutional area by 19 acres and convert to Mixed Use on Map H; and
- i. Reduce area for wastewater treatment plant by 3 acres.

3. On, June 27, 2006, the Sumter County Board of County Commissioners approved a second amendment to The Villages of Sumter ADO that made the following minor changes in land use locations and acreage amounts to Map H and H-1, Master Development Plan and its accompanying Land Allocation and Phasing Tables:

- a. Add ± 89 acres total to the existing DRI which will be used to:
 - 1) Add 38 acres of Residential land to the development plan, but not increase existing entitlements;
 - 2) Add 49 acres of mixed use area on CR 466, but not increase existing entitlements;
 - 3) Include a four field softball complex within the CR 466 mixed use area, and
 - 4) Add two acres to golf course on south side of CR 466A.
- b. Convert 10 acres of existing DRI golf course land use to mixed use for a professional office center without increasing entitlements.

4. On October 10, 2006, the Sumter County Board of County Commissioners approved a third amendment to The Villages of Sumter ADO that made the following minor changes in land

use locations and acreage amounts to Map H and H-1, Master Development Plan and its accompanying Land Allocation and Phasing Tables:

- a. Add \pm 89.6 acres total to the existing DRI which will be used to:
 - 1) Add 50.8 acres of Residential land to the development plan, but not increase existing entitlements;
 - 2) Add 38.8 acres of mixed use area, but not increase existing entitlements;
 - b. Change the existing Town Center Mixed Use Area that is east of Lake Deaton to Mixed Use and relocate the existing Town Center to the area South of CR 44A and West of Buena Vista Boulevard.
 - c. Relocate 300,000 s.f. of Commercial from the existing Town Center Mixed Use area to the new Town Center Mixed Use Area.
 - d. Relocate the existing Hospital Use to the area South of CR 44A and East of Buena Vista Boulevard.
 - e. Change 12.1 acres of Residential Use that is South of Lake Deaton Eagle Protection Zone to Mixed Use.
 - f. Change 9.3 acres of Residential Use North of CR 44A and West of Buena Vista Boulevard to Mixed Use.

 - h. Change 1.7 acres of Storm Water Use that is North of CR 44A & East of Buena Vista Boulevard to Buffer.
 - i. Change 24.3 acres of Recreation that is North of 44-A and West of Buena Vista Boulevard to Residential because of an error on Map H.
 - j. Decrease the existing allocation of 3,220,000 s.f. of Retail Service (Town Center and Village Center) to 3,164,608 s.f. by converting 55,392 s.f. to Office s.f.
 - k. Increase the existing allocation of 300,000 s.f. of office to 431,510 s.f. by adding 59,999 s.f. and converting 55,392 s.f. retail to 71,511 s.f. office.
 - l. Increase the existing allocation of 290,000 s.f. of Institutional Use to 515,000 s.f. by adding 225,000 s.f.
5. On November 10, 2008, the City Commission of the City of Wildwood approved a development order (DO) pursuant to the approval of the substantial deviation creating The Villages of Wildwood DRI. Under that substantial deviation portions of the Villages of Sumter were annexed and combined with property already within the City to create the Villages of

Wildwood DRI consisting of approximately 391 acres. The substantial deviation also proposed the transfer of 1,288,258 square feet of retail/service floor area, 14,400 square feet of office floor area, 49,714 square feet of educational/institutional floor area, 200 hotel rooms, eight movie screens and a 300 bed hospital from the Villages of Sumter DRI to the Villages of Wildwood DRI. A provision in the Villages of Wildwood DRI DO required that entitlements equal to those in the Villages of Wildwood DRI had to be removed from the Villages of Sumter DRI prior to any vertical construction. Thus, no additional development amounts were added in the approval of the Villages of Wildwood DRI.

6. On December 5, 2008, the Sumter County Board of County Commissioners approved a fourth amendment to the Villages of Sumter DO that transferred property and entitlements from the Villages of Sumter to the Villages of Wildwood. The NOPC removed approximately 220 acres from the Villages of Sumter, reduced the entitlements in the Villages of Sumter ADO by 1,288,258 square feet of retail/service floor area, 14,400 square feet of office floor area, 49,714 square feet of educational/institutional floor area, 200 hotel rooms, eight movie screens and a 300 bed hospital, and amended Map H and H-1, the Master Development Plan, the Land Allocation and Phasing Tables and legal description to reflect the removal of property and entitlements.

Additionally, the fourth NOPC amended the Villages of Sumter ADO by:

- Establishing December 31, 2019 as the Expiration Date;
- Establishing the Developer's cumulative transportation mitigation for state and regionally significant roadways and eliminating all monitoring and modeling requirements and requirement to address the TIA results in the Annual Reports;
- Establishing full transportation mitigation for local roadways;
- Recognized that the Developer has now fully mitigated for the cumulative impacts of its development on affordable housing;
- Clarified that the requirements for annual reports cease upon reaching build out; and
- Establishing that the Developer will provide an annual payment to Sumter County of \$15,000 per year from 2010 to 2014 to support the County's annual traffic monitoring program.

7. On November 23, 2010, the Sumter County Board of County Commissioners approved a Fifth Amendment to the Villages of Sumter Development Order that made amendments to Development Order Condition C.1, the Land Use Conversion Matrix, the legal description, and Map H and H-1 Master Plan of the Villages of Sumter DRI. Specifically the NOPC: 1) removed

approximately 5.72 acres from the Villages of Sumter DRI, 2) amended the Land Use Trade-off Matrix Table 1 and 2 by adding Skilled Nursing Facilities, Assisted Nursing Facilities and Independent Nursing Facilities, 3) removed the Convention/Performing Arts Center Land Use from the DRI (Development Order Condition C.1 and Map H-1), removed the 40,000 s.f. Convention/Performing Arts Center entitlement and re-designated 15 acres on Map H-1 from Convention/ Performing Arts Center to Village Clubhouses/Recreation Centers Land Use acres, 4) changed the Village Center Retail, Service, Office Land Use on CR 466 in the northeast corner of the DRI to Village Center Mixed Use, 5) changed the Village Center Retail Service, Office Land use on the south side of CR 466A east of CR 139 to Village Center Mixed Use, 6) reconfigured the Village Center Mixed Use and Residential Land Uses in the southeast corner of the DRI north of SR 44, 7) added the Wildlife Corridor created pursuant to mitigation requirements of SWFWMD ERP number 43023491.006, 8) pursuant to the Developer's letter of notification dated May 5, 2010, revised the Land Use Allocation Table to reflect the conversion of 143,575 s.f. Retail to 1,629 d.u. Residential Land Use, 9) added the traffic circle on CR 44A at Buena Vista Boulevard, and 10) added approximately twelve (12) acres of railroad right of way property along the northerly right of way of S.R. 44 of the Villages of Sumter DRI. The Developer acquired this property after abandonment by the railroad with a Quiet Title Suit and subsequent deed. This property was added to the adjacent land uses along the southerly boundary of the Villages of Sumter DRI. Three (3) acres to Wildlife Corridor, seven (7) acres to Village Center Mixed Use, and two (2) acres to Regional Recreation Centers. No increase of impacts occurred as a result of this addition.

8. Based on the documentation submitted and the testimony provided, Sumter County found the changes did not constitute a substantial deviation.

9. On June 22, 2012, the Developer submitted a NOPC that proposed to:

1) Add 353 acres to the Villages of Sumter DRI (See Attachment 1) –The proposed Amendment will revise the boundary and total acreage of the DRI. This additional acreage will be used for residential units, recreation, stormwater basins and mixed uses. Portions of previously approved entitlements will be converted using the Land Use Conversion Matrix to the planned uses on this property. This will ensure that there are no increases in impacts.

2) Revise the legal description of the DRI and the Master Plans, Map H and Map H-1 to include the 353 acres.

3) Revise Sumter County's Future Land Use Map to reflect the revised Sector Plan and revise the Urban Development Area boundary to accommodate the 353 acreage addition.

4) Amend the Master Plans Map H and H-1 and the Land Use Allocation Table to reflect the changes above and the changes made by the following:

- a. Notice of Conversion of land Uses dated January 20, 2011. This Notice converted 8,440 Retail square feet to 128 Assisted Living Facility beds.
- b. Notice of Conversion of Land Uses dated March 30, 2011. This Notice converted 792 Retail square feet to 12 Assisted Living Facility beds and 27,720 Retail square feet to 315 Residential Dwelling Units.
- c. Notice of Extension pursuant to Section 54(19)(c)2. of Chapter 2011-139, F.S.. This Notice extended the Phase III and IV dates of the DRI.

None of these changes will create any additional impacts or result in any changes to the development amounts within the development order.

SECTION 2. CONCLUSIONS OF LAW.

Based on the Findings of Fact adopted above, Sumter County hereby adopts the following Conclusions of Law.

1. Sumter County is the governing body having jurisdiction over the review and approval of the NOPC, pursuant to Chapter 380, F.S., and is authorized and empowered to issue this amendment to The Villages of Sumter DRI ADO.
2. The property does not lie within an Area of Critical State Concern.
3. The proposed development is consistent with the applicable local comprehensive plan as amended and is consistent with the applicable local land development regulations.
4. The proposed development is consistent with the Withlacoochee Strategic Regional Policy Plan.
5. The provisions of this amendment to the ADO shall not be construed as a waiver of or exception to any local, state or federal law or regulation.
6. The impacts of this development, as conditioned by this Amendment to the ADO, are adequately addressed pursuant to the requirements of Chapter 380, F.S., and the changes as approved by the County do not constitute a substantial deviation to the ADO or subsequent amendments or create additional adverse local impacts.

7. To the extent that the Application for Development Approval (ADA) or NOPC, or any other document is inconsistent with the terms and conditions of this Amendment to the ADO, this Amendment to the ADO shall prevail.

SECTION 3. GENERAL CONDITIONS.

Sumter County, having made the aforementioned Findings of Fact and Conclusions of Law, hereby approves the following proposed changes contained in the NOPC, subject to the following modifications and conditions of development set forth in this Amendment to the ADO:

1. Add 353 acres to the Villages of Sumter DRI (See Attachment 1) –The proposed Amendment will revise the boundary and total acreage of the DRI. This additional acreage will be used for residential units, recreation, stormwater basins and mixed uses. Portions of previously approved entitlements will be converted using the Land Use Conversion Matrix to the planned uses on this property. This will ensure that there are no increases in impacts.
2. Revise the legal description of the DRI and the Master Plans, Map H and Map H-1 to include the 353 acres.
3. Revise Sumter County's Future Land Use Map to reflect the revised Sector Plan and revise the Urban Development Area boundary to accommodate the 353 acreage addition.
4. Amend the Master Plans Map H and H-1 and the Land Use Allocation Table to reflect the changes above and the changes made by the following:
 - a. Notice of Conversion of Land Uses dated January 20, 2011. This Notice converted 8,440 Retail square feet to 128 Assisted Living Facility beds.
 - b. Notice of Conversion of Land Uses dated March 30, 2011. This Notice converted 792 Retail square feet to 12 Assisted Living Facility beds and 27,720 Retail square feet to 315 Residential Dwelling Units.
 - c. Notice of Extension pursuant to Section 54(19)(c)2. of Chapter 2011-139, Laws of Florida. This Notice extended the Phase III and IV dates of the DRI.

None of these changes will create any additional impacts or result in any changes to the development amounts within the development order.

5. Final Approval of Development Entitlements This Amendment to the ADO constitutes final approval to develop in Sumter County not more than 34,144 conventionally constructed (no manufactured housing or mobile homes) residential dwelling units on 6,702 acres; 77 acres of institutional/educational space, on which the developer may construct local government and community facilities, churches and educational facilities; 1,695,823 s.f. of Gross Floor Area

(GFA) of neighborhood, community or general retail structures on 556 acres; 417,110 s.f. GFA of office space on 20 acres; 200 hotel rooms; attraction/recreation facilities consisting of 8 theater screens on 5 acres; 6 regional recreation centers on 65 acres; clubhouses and Village recreation centers on 163 acres; urban facilities and services on 37 acres; 24 marina slips; 396 holes of golf on 2,992 acres; and 3,251 acres of related roads, recreation and conservation areas, wetlands, buffer area, stormwater retention and open space for a total development area of 13,868 acres, resulting in an average residential density not exceeding 5.2 dwelling units per gross residential acre, on the property as depicted in Map H and H-1 Master Plan and the Land Use Allocation and Phasing Charts (Revised August, 2010) attached as **Exhibit 1**.

BE IT FURTHER RESOLVED BY THE SUMTER COUNTY BOARD OF COUNTY COMMISSIONERS THAT THE FOLLOWING SHALL APPLY:

1. **Final Order.** That this Amendment to the ADO shall constitute the final order of Sumter County in response to the DRI NOPC filed by the Developer.
2. **Definitions.** That the definitions found in Chapter 380, F.S. (2011) shall apply to this amendment to the ADO.
3. **Assignability: Persons Bound.** That this Amendment to the ADO shall be binding upon the Developer and its heirs, assignees, or successors in interest including community development districts created pursuant to Ch. 190, F.S.
4. **Severability.** That in the event any portion or section of this amendment to the ADO is determined to be invalid, illegal or unconstitutional by a court of competent jurisdiction, such decision shall in no manner affect the remaining portions or sections of this amendment to the ADO, which shall remain in full force and effect.
5. **Recordation of Notice of Adoption.** Within 15 working days of rendition of the corresponding 6th DOA by Sumter County, the Developer shall cause a Notice of Adoption of this amendment to be recorded among the Public Records of Sumter County in accordance with Section 380.06 (15), F.S., and shall provide a copy of the recorded Notice to the Sumter County, Sumter County, the WRPC, the ECFRPC and the DCA.
6. **Restriction on Downzoning, Density Reduction or Intensity Reduction.** That Sumter County agrees that the approved DRI shall not be subject to down zoning, density reduction, or intensity reduction after the effective date of this amendment to the ADO, unless Sumter County can demonstrate that substantial changes in the conditions underlying the approval of the amendment to the ADO have occurred, or that the amendment to the ADO was based on substantially inaccurate information provided by the Developer, or that the change is clearly established by Sumter County to be essential to the public health, safety or welfare.

7. Impact Fees. That approval of this amendment to the ADO shall not exempt any portion or unit of the Villages of Sumter development from any future impact fees imposed by Sumter County. Developer credit for applicable improvements paid for by it pursuant to the requirements of this amendment to the ADO shall be given as provided for by Section 380.06(16), F.S.

8. Effective Date. That upon adoption, this Amendment to the ADO shall be transmitted to the WRPC, the FDCA and the Developer and shall become effective upon rendering of this Development Order by Sumter County.

9. Transmittal of Amendment. That copies of this Amendment to the ADO shall be transmitted immediately by certified mail to the WRPC, FDCA and the Developer, by Sumter County.

ADOPTED, in Regular Session this _____, 2012, by the Sumter County Board of County Commissioners.
