

E-Verify Vendor/Contractor/Subcontractor Certification

The Sumter County Board of County Commissioners has mandated that effective August 1, 2012, all vendors, contractors and subcontractors doing business with Sumter County must certify that they have implemented the federal E-Verify program.

E-Verify is a federal system established by the Department of Homeland Security to determine the immigration and work-eligibility status of prospective employees. Detailed E-Verify program information for employers can be found at <http://www.dhs.gov/e-verify>.

Prior to providing goods or services to Sumter County, vendors must certify compliance with the federal E-Verify program. In the case of contractors, this includes obtaining written certification from all subcontractors who will participate in the performance of the contract. The certification below has been prepared for all vendors and contractors to use for this purpose. All subcontractor certifications must be kept on file with the contract vendor and made available to the state and/or County upon request.
