HISTORY/FACTS/ISSUES:

Sumter County Soil and Water Conservation District and the South Sumter FFA chapter has requested assistance with this year's Soil and Water Land Judging Competition in Sumter County on March 7, 2013. The competition will be held on private property, "674 Property, LLC", located at the intersection of CR 673 and CR 674. The request from the Soil and Water Conservation District is to have Public Works assist with the digging (with county backhoe) of the judging sites the day prior to the competition and the backfill of the judging sites after the completion of the competition.

This land judging competition will be for the youth of the South Sumter FFA Chapter, Lake County FFA Chapter, as well as the Sumter and Lake County 4-H chapters.
