Subject: RE: National Day of Prayer 2013 at the North Annex

Rev. Rockey,

The Board of County Commissioners provided the approval last year and appreciated the stewardship you demonstrated in the use of the property. I will place your request on the Board's 2/12/13 meeting for approval.

Subject: National Day of Prayer 2013 at the North Annex

Mr. Arnold,

Good morning,

Last year, our community was blessed by the addition of a National Day of Prayer assembly at The Villages Sumter Service Center on Powell Road. For your support in helping this happen, please accept the thanks of the Sumter Ministerial Association.

We believe that communities are impacted powerfully when united together in spirit, partnership and hope. With that in mind, we desire to continue to provide our community with opportunities to celebrate and strengthen our spirit of unity.

Therefore, we are seeking your approval to again host a National Day of Prayer Assembly in front of the Service Center on Thursday May 2, at noon.

I will look forward to hearing from you. If any further information is needed, please do not hesitate to contact me at either 748-1201 or 391-3363.

Serving our Lord and His people,
Rev. James Rockey, MDiv
