Dear Dr. Momol:

I have formally accepted a position with North Carolina State Extension as a County Extension Director and Community Development Extension Agent. I would like to make my last day of work with UF/IFAS Sumter County Extension on March 8th with my last payroll day on April 1, 2013.

You have been a wonderful supervisor and mentor and I will miss working with you very much. I also have greatly enjoyed the past eight years and getting to know the citizens of Sumter County, who have been welcoming and engaged. Our faculty and staff are outstanding and thrive on doing all they can do to help our clientele. They are a great team! We also have enjoyed an excellent working relationship with our county administrator and departments that I know will continue.

Thank you for all you, Nikki and the entire county operations staff have done to support me in this position.

Sincerely,
