HISTORY/FACTS/ISSUES:

The Medicaid Non-Emergency Transportation (NET) Program is administered by the Commission for the Transportation Disadvantaged (CTD). The Agency for Health Care Administration funds the Medicaid program which allows the CTD to be the gatekeeper of the funds. Our Agreement is with the CTD.

The purpose of this Amendment is to extend the current agreement with the CTD through June 30, 2013. This will bring in \$245,226.00 of revenue to the transit fund for the twelve month period of 7/1/2012-6/30/2013. There is no match required for this agreement.
