RE: Salary Increases

Dear Mrs. Hayward,

The Sumter County Board of County Commissioners (BOCC), at their workshop on January 19, 2010, directed that for budgeting purposes no salary increase should be included in your budget request for your employees.

Further, the BOCC did indicate that if there was sufficient savings generated through the reductions in the Constitutional Officer budgets to meet the rollback requirements of a balanced budget, then consideration of a raise would be considered.

This early jump on the direction of the FY10/11 budget is intended to aid you in your participation in developing the financial plan for Sumter County which will be the tool for planning, controlling, and evaluating the various operations. It is imperative that you prepare a detailed line item budget with the appropriate justifications for the planned expenditures. The format of the requested information will be transmitted to you under separate cover along with the updated financial policy and budget calendar.

The budget requests are due **May 1, 2010**.

Sincerely,

Bradley Arnold
County Administrator
