HISTORY/FACTS/ISSUES:
Sumter County School Board contracts annually with Sumter County Transit for the transportation of a handicapped student from his residence to Wildwood High School on a daily basis during the school year. The proposed agreement is a request to continue this service and contract for the coming school year. The only changes in this years contract are the dates and the rate charged per trip. It is now a flat fee of \$24.07 per leg for wheelchair trips. The previous rate model charged the ambulatory rate of \$12.50 plus a special service (wheelchair) rate of \$12.70 per leg.
