HISTORY/FACTS/ISSUES:

Currently the Board of County Commissioners hold their Workshops at the Sumter County Government Annex in Bushnell (910 North Main Street, Bushnell, FL 33513) the third Tuesday of every month at 5:00pm.

Mr. Arnold, County Administrator would like to receive direction on relocating the Workshop meetings to The Villages Sumter County Service Center starting on November 1, 2010. The purpose behind the concept is to provide for quick access to additional information that may be necessary during the workshop. The workshop meetings are intended to be informative and gaining direction without the BOCC making any formal votes. The budget workshops are the best examples of the need for staff to have ready access to their offices to address BOCC questions while continuing to conduct the meeting. The reason the workshop meetings are currently in Room 142 at 910 N. Main Street is due to the location of the staff offices.

Based on the County Administrators recommendation the BOCC would hold the monthly regular meetings and workshop in the following locations:

1st Regular Meeting of the month at its current location, Sumter County Government Annex in Bushnell, Room 142, 910 North Main Street, Bushnell, FL 33513 (Public Hearings that will exceed space limitations will not be scheduled for this location)

2nd meeting of the month, which is the Workshop at The Villages Sumter County Service Center, Room 1052, 7375 Powell Road, Wildwood, FL 34785

3rd Regular Meeting of the month at its current location, Colony Cottage Recreation Center, Parlor Room, 510 Colony Boulevard, The Villages, FL 32162 (This location is capable of handling thus far all of the public hearings that we have had to date)
