7375 Powell road
Wildwood, Fl. 34785

Dear Mr. Arnold:

We are hosting a golf cart parade for the Hope for the Warriors on November 14, 2010 at the Villages Charter School property.

We are anticipating as many as 3500 golf carts coming to the charter school. In our efforts to not cause congestion to the residents of The Villages we thought the best location would be The Charter School.

Our dilemma that we face is Belvedere and Parr Drive and the crossing of thousands of golf carts across those streets. Since our cart parade starts at noon we are wondering if we could close off those streets on the morning in question. We are also wondering if we could use the sidewalk in front of the schools to use as an egress route for carts of people that wish to leave before the completion of the parade.

Lt Wolfe and the Marion county Sheriff's office are working with us and have given us some great advice on this event.

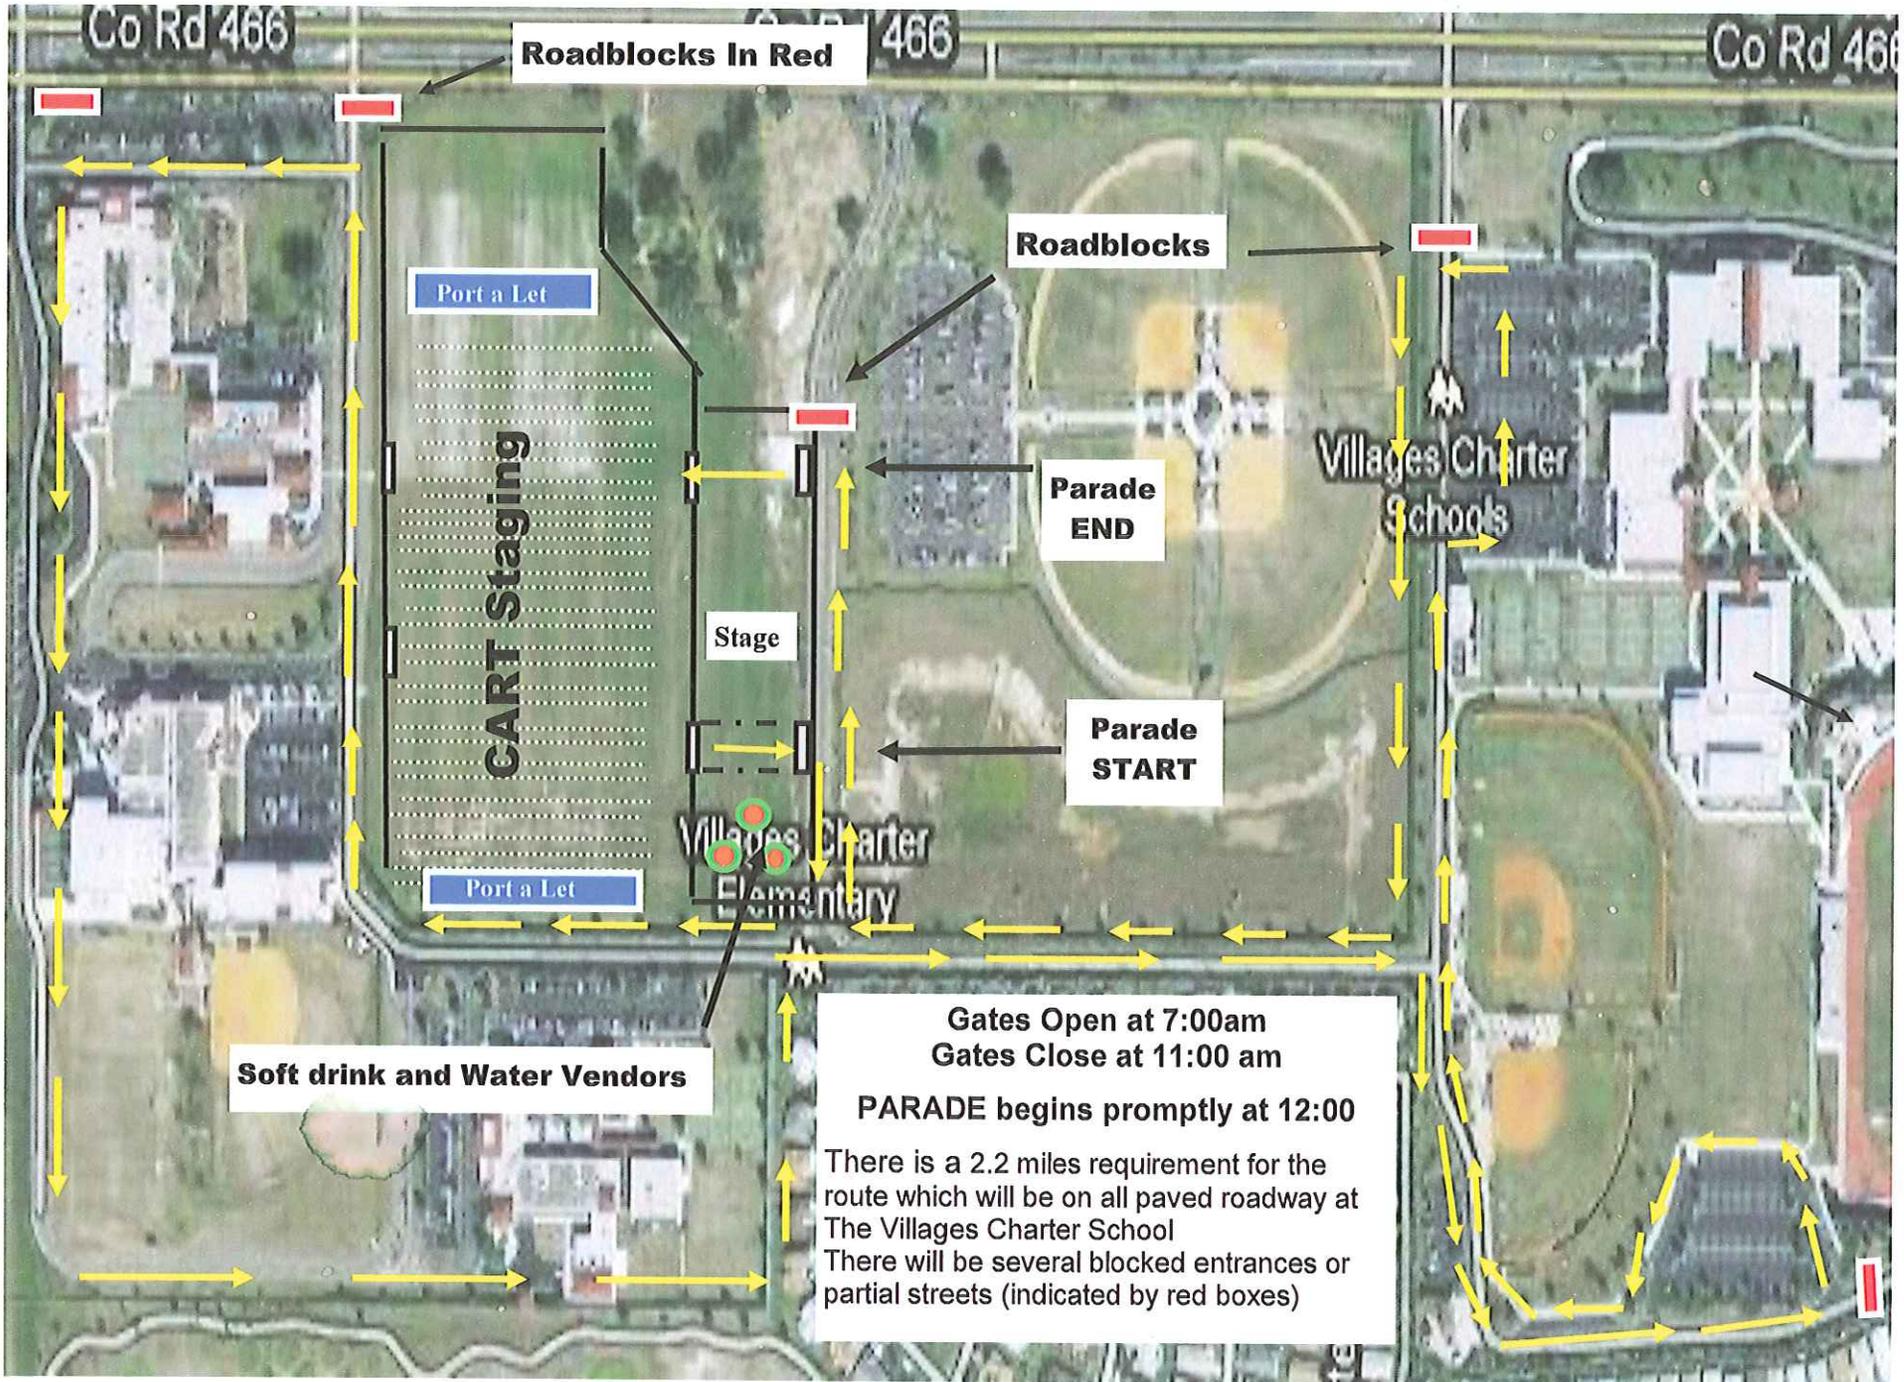

Once we start the parade we will not be able to break the chain of carts according to the requirements and rules of the Guinness World Records.

We are doing this as a total fundraiser for the Hope for the Warriors (wounded Veterans) and any help you can give to us would be appreciated.

Thanks in advance.
