December 14, 2010

Jana Sterling, Project Manager
Florida Division of Emergency Management
2555 Shumard Oak Boulevard
Tallahassee, FL 32399

Dear Jana Sterling,

Sumter County requests an extension for Project Number 1679-03-R, Sumter County Sheriff's Office Wind Retrofit, Phase II Construction, Contract # 09HM-7J-05-70-01-006. The original Period of Performance for the contract ended on 29 OCT 2010. Sumter County received an extension until 31 DEC 2010.

Due to contractor delays and an estimated eight to ten week lead time for construction materials, we are requesting additional time.

The remaining funds in the budget for 1679-03-R are \$22,034.00 Federal Match and \$7,345.00 county funds for a total of \$29,379.00. A total of \$4,500.00 has been used to date for architectural services. The remaining funds will be used per the original Scope of Work. A schedule for project completion is attached. The project will require an additional 120 days. Douglas Conway, Project Manager for Sumter County, is responsible for oversight of the completion of the project.

This project will be completed within the extended performance period without modifications to the approved scope of work. FEMA will approve all changes of scope/modifications if required.

Sincerely,

Douglas L. Conway,
Project Manager
