Everett Kelly, CEO  
Project Health, Inc. d/b/a Thomas E. Langley Medical Center  
1425 S US Hwy 301  
Sumterville, FL 33585

Dear Mr. Kelly,

I am writing in support of Thomas E. Langley Medical Center's application for grant funding.

Thomas E. Langley Medical Center (TELMC) is the only Federally Qualified Health Center (FQHC) in Sumter County and has provided our citizens with high-quality primary care services since 1976. TELMC provides vital services for many who would otherwise be left without access to primary care and consistently strives to meet the ever expanding needs of the area. However, as a nonprofit organization with limited funding, the need is greater than what they can afford to do.

This letter serves as documentation that the Board of County Commissioners of Sumter County fully supports TELMC.

Sincerely,

Bradley S. Arnold  
County Administrator
