Bradley Arnold, SC Administrator
Board of Sumter County Commissioners
7375 Powell Road
Wildwood, FL 34785

Mr. Arnold,

As you are aware, the City of Wildwood recently adopted and received DCA approval of our 2035 Comprehensive Plan. This plan included policies that would promote alternative transportation modes.

Objective 1.9 of the Transportation Element states: The City shall plan for and promote alternative modes of transportation to provide safe and efficient multi-modal systems and to provide for a possible reduction of individual motor vehicle travel.

At the January 10th Commission meeting, I was tasked with exploring these various options, which includes the possibility of the City becoming a golf cart friendly community. With the close proximity of existing and planned large commercial and residential developments, the City would request Sumter County's cooperation in exploring this possibility. The development of multi-modal means of transportation and the reduction of vehicle miles traveled would be of mutual benefit and would by participating, serve as further indication of your continued interest in jointly working together.

Respectfully,

Robert Smith, City Manager
