HISTORY/FACTS/ISSUES:

For many years the Croom-A-Coochee Community has used the fire station and its associated property as the base for a community yard sale and gathering. They hold these events annually. The date requested is February 12, 2011, for most of the daylight hours. This year the Croom-A-Coochee Fire Board would like to sell hot dogs, sausages, soft drinks, etc. at the event. Many of these items would be donated and the nominal fee charged would be used by their association to provide items for the station and its firefighters which are not covered by the SCFR operating budget.

This is a well attended community event and provides the public a chance to meet their firefighters and view the new fire apparatus and equipment Sumter County has been able to provide. It also provides for a recruitment opportunity for more Reserve Firefighters in that community.

Staff recommends approval of SCFR Station 28 and its associated property for this use.
