Re: Maximum Millage Levy Calculation Final Disclosure

Dear Mr. Arnold:

The Department of Revenue has reviewed the maximum millage levy calculation final disclosure documents submitted by your taxing authority. The Department's review included documents relating to the millage levying processes and the total taxes levied by your principal taxing authority and any dependent special districts and MSTUs (for counties). Based on the documents submitted for all these entities, the Department has determined that your taxing authority is in compliance with the maximum total taxes levied requirements, and thus the maximum millage levy requirements, of s. 200.065(5), Florida Statutes.

This determination applies only to the maximum millage levy requirements of section 200.065(5), Florida Statutes. Findings regarding the TRIM certification requirements of section 200.065, Florida Statutes, will be sent in a separate letter.

Sincerely,

James McAdams, Director
