BUDGET IMPACT: To be determined based on task orders

FUNDING SOURCE: County Trans Trust Fund

Type: Annual

EXPENDITURE ACCOUNT: 103-340-541-3100

HISTORY/FACTS/ISSUES:

On June 10, 2014, the Sumter County Board of County Commissioners executed an agreement with Wantman Group, Inc. to provide surveying and mapping services for the Public Works Division Engineering Department. The agreement was the results of RFQ 010-0-2014/CRM, which is set to expire June 10, 2017. The original agreement had an option to renew for an additional (3) consecutive one-year terms as stated in the original contract. Public Works Engineering Department wishes to exercise the renewal option at this time under the same terms and conditions as stated in the original contract. This renewal option would be the second of three additional consecutive one-year terms. The County will only extend this contract until 9/30/2017. The County intends on absorbing the scope of work included within this contract into the Sumter County Continuing Contract for Engineering, Surveying and Related Services starting 10/1/2017.

Staff recommends approval of this extension.
