SUMTER COUNTY TOURIST DEVELOPMENT COUNCIL GRANT GUIDELINES AND APPLICATION

INFORMATION ON THE SUMTER COUNTY TOURIST DEVELOPMENT TAX

OBJECTIVE

The Sumter County Tourist Development Council endeavors to support local organizations in their effort to develop and promote an event by making available special grant funding provided that the organization has met the requirements of the application and reimbursement process.

LEGISLATIVE AUTHORITY / TDC HISTORY

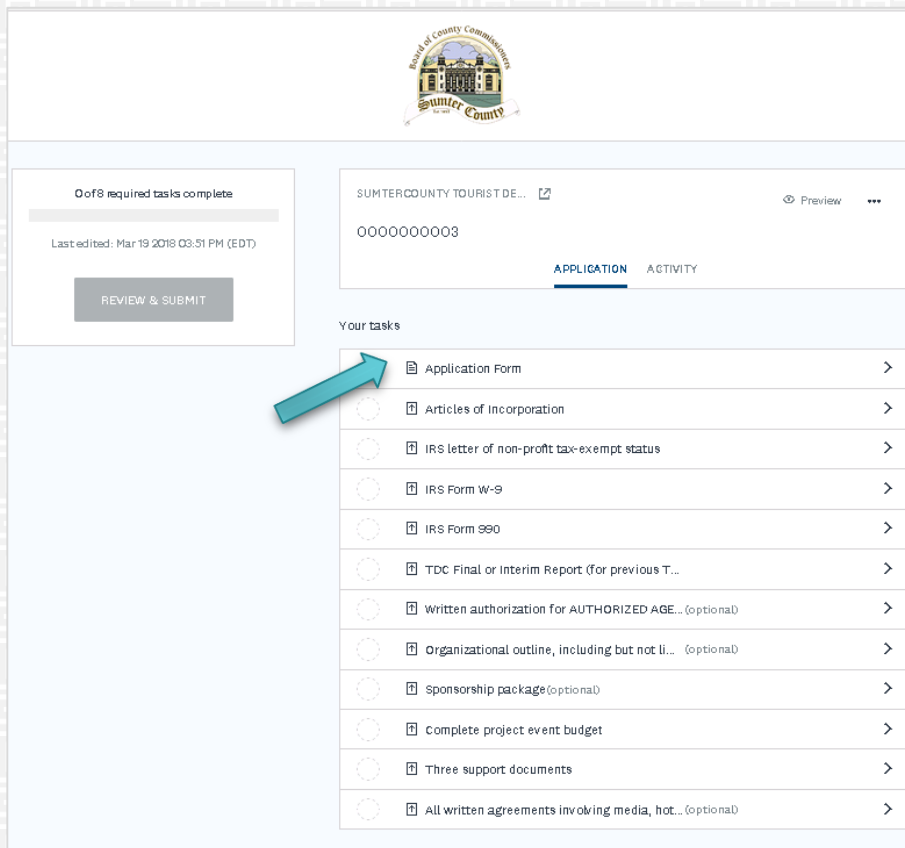

The Florida State Legislature enacted the Local Option Tourist Development Act (Section 125.0104, Florida Statutes) in response to the growing need of Florida counties to provide additional revenue sources for tourist development in an effort to stimulate the local economy. In response to this need, the voters of Sumter County approved in 2004, a two (2%) percent tourist development tax on transient rental accommodations. A Tourist Development Council (hereinafter referred to as "TDC") was created as an advisory council to the Sumter County Board of County Commissioners (hereinafter referred to as "BOCC") for the purpose of making recommendations, based on statutory guidelines, for the use of the revenue generated by the tourist development tax.

REVENUES

Tourist development tax revenues are generated by overnight guests staying in Sumter County RV parks/campgrounds, hotels, motels and condominiums. As a rule, any short-term lodging of six months or less is subject to the two percent tax in addition to Sumter County's sales tax. Collections are received through the Florida Department of Revenue and returned to the County on a monthly basis for the County's use. Sumter County records this revenue in a separate Tourist Development tax fund.
